

This technical diagram illustrates the exploded view of a motorcycle wheel assembly. The central component is the wheel (1), which features a spoked rim (19) and a tire (32). The tire is shown with a tread pattern and a sidewall that includes the text "FWD". Surrounding the wheel are various components, each labeled with a number from 1 to 35. These components include: a hub (2) with a central axle (11); a brake disc (3) with a brake pad (4); a brake caliper (5) with a piston (6); a brake master cylinder (7) with a piston (8); a brake master cylinder (9) with a piston (10); a brake master cylinder (11) with a piston (12); a brake master cylinder (13) with a piston (14); a brake master cylinder (15) with a piston (16); a brake master cylinder (17) with a piston (18); a brake master cylinder (19) with a piston (20); a brake master cylinder (21) with a piston (22); a brake master cylinder (23) with a piston (24); a brake master cylinder (25) with a piston (26); a brake master cylinder (27) with a piston (28); a brake master cylinder (29) with a piston (30); a brake master cylinder (31) with a piston (33); a brake master cylinder (34) with a piston (35); and a brake master cylinder (36) with a piston (37). The diagram shows the assembly sequence and the relative positions of the components.
